Eins-zu-Eins zuordnen (EZ)

The exercise is contained within a large rounded rectangle. In the top-left corner, there is a smaller rectangle with a thin border containing six butterflies. The remaining space is divided into four groups of flowers, each labeled with a letter:

- A:** A group of seven flowers.
- B:** A group of five flowers.
- C:** A group of five flowers, circled in red.
- D:** A group of four flowers.

The number "00" is located in the bottom right corner of the large rounded rectangle.

A large rounded rectangular frame containing a visual discrimination task. At the top left is a horizontal rectangle divided into three vertical sections: white, black, and white. At the top right is a horizontal rectangle divided into two vertical sections: the left section is solid white, and the right section is a dashed outline. Below these are four options labeled A, B, C, and D, each in a square box: A is a solid black square; B is a square divided vertically into white on the left and black on the right; C is a square divided vertically into black on the left and white on the right; D is an empty white square.
